ALPHA PROTOCOL

THE SCRIPTS

PACK

60 messages for every moment of the next 90 days — no contact, reconnection, the first meeting, the "us" talk, and what to say when it's a no.

HOW TO USE THIS

Rules before you copy anything

These are skeletons, not scripts. Change the words to yours. A woman can tell a template from a man in two lines. Every message here follows the same five laws:

1. **Short.** Under four lines. Always.
2. **Light.** No feelings, no relationship, no "we need to talk".
3. **Specific.** One real detail she'd recognise beats ten compliments.
4. **No pressure.** Easy to answer, easy to ignore. Both are fine.
5. **End first.** You close the conversation. Every time.

Timing

Mid-week, 6–8 p.m. Never after 10 p.m. Never after a drink. Reply hours later, not seconds. If she takes a day, you take a day.

> NEVER SEND
> Anything with "please", "just", "I can't", "I miss you", "do you still…", or a question about her feelings. Anything over four lines. Anything you wouldn't send knowing she'll show her best friend.

PART 1 · DAY 0–2

The closing message

Send one. Then silence for 30 days. Purpose: replace the last memory of a desperate man with a composed one.

01 · STANDARD

Hey. I've had some time to think and I want to say this once, properly: you were right to end it, and I'm sorry for how I handled it afterwards. I'm going to give us both space. I genuinely hope you're doing well.

02 · IF YOU BEGGED / ARGUED A LOT

I owe you a clean one: the way I reacted after we ended wasn't fair on you. That's on me. I'm stepping back properly now. Take care of yourself.

03 · IF SHE ENDED IT COLDLY

Got it. I won't keep pushing — you've made your decision and I respect it. Wishing you well.

04 · IF THERE'S LOGISTICS (KEYS, STUFF, LEASE)

Quick practical one: I'll leave your things with [friend / at the door] on [day]. No need to reply unless that doesn't work. Hope you're ok.

05 · IF YOU SHARE A PET / CHILD

Keeping this strictly about [name]: [practical info]. I'll keep everything else out of these messages so it's easy for both of us.

If she replies to any of these: "Thank you, that means a lot. Take care." — and nothing more.

PART 2 · DAYS 1–30

She texts during silence

06 · "HOW ARE YOU?"

Hey! All good here — been flat out with [mission/training], honestly in a good place. Hope you're doing well too.

07 · SHE SENDS A MEME / "THOUGHT OF YOU"

Ha, that's exactly the one. Hope life's treating you well.

08 · "I MISS YOU"

That's kind of you to say. I'm giving myself proper space to sort my own head out right now — I think that's the right thing for both of us. Hope you're ok.

09 · "CAN WE TALK?"

I appreciate you reaching out, really. I don't think I'm in the right place for that conversation yet. I'll be honest with you when I am. Take care of yourself.

10 · SHE'S ANGRY / PICKS A FIGHT

I'm not going to do this over text. If there's something practical you need from me, tell me and I'll sort it. Otherwise I hope you have a good week.

11 · "ARE YOU SEEING SOMEONE?"

Ha — I've been focused on myself to be honest. Not really looking for anything right now.

12 · HER BIRTHDAY FALLS IN THE 30 DAYS

Send nothing. If you must: "Happy birthday — hope it's a good one." Nothing else. Then back to silence.

13 · SHE ASKS FOR SOMETHING BACK

Of course. I'll drop it at [place] [day]. Hope you're well.

14 · A MUTUAL FRIEND FISHES

I wish her well. I'm focused on my own stuff at the moment — how are things with you?

PART 3 · DAY 30+

The first message

One job: easy to answer, impossible to feel pressured by. Reference something real. No question that needs a serious answer.

15 · THE MEMORY
Just walked past [that place] and they've finally fixed the sign. Took them long enough. Hope you're good.

16 · THE USEFUL ONE
Saw [band / show / thing she's into] is doing [event] in [month] — thought you'd want to know before it sells out.

17 · THE LIGHT ONE
Your mum's lasagne recipe has officially been attempted. 6/10. The family honour is safe.

18 · THE PHOTO
[Photo of a place/dog/thing she loved] — this one's still here, in case you were wondering.

19 · THE QUESTION SHE'LL KNOW THE ANSWER TO
Random one — what was that café you dragged me to in [city]? Someone asked me and I've completely blanked.

20 · THE WIN (NO BRAGGING)
Finally did [the thing you always said you'd do]. Thought you'd appreciate that more than anyone. Hope you're well.

21 · IF SHE REACHED OUT FIRST DURING SILENCE
Hey — sorry I was a bit short before, I needed the headspace. In a much better place now. How've you been?

22 · IF SHE'S SEEING SOMEONE
Same as 15–20. Shorter. Zero reference to him. If she mentions him: "Glad you're doing well." Then your life.

PART 4

Keeping it going — and ending first

23 · SHE REPLIES WARMLY

[Match her length. 3–6 messages. Then:] Right, I've got to run — [real plan]. Good to hear from you.

24 · SHE REPLIES FLAT

Reply once, warm, short. Then nothing for 3 weeks. Fair enough! Glad you're good.

25 · NO REPLY AFTER A WEEK

Nothing. No "did you get my message?". Three weeks later, one more (15–20). If nothing again, you have your answer.

26 · SECOND MESSAGE (2–3 DAYS LATER)

Had to send you this — [photo / thing that's genuinely funny to both of you]. No reply needed.

27 · SUGGESTING THE FIRST MEETING

Fancy a coffee Thursday? I'll be near [area] around six. No big deal if not.

28 · ALTERNATIVE, LOWER PRESSURE

I'm walking [the dog / to the market] Sunday morning near yours — come along if you fancy some air.

29 · SHE SAYS "MAYBE"

No stress. I'm there at six either way — see you if I see you.

30 · SHE CANCELS

No stress — another time.

31 · SHE CANCELS TWICE

All good. I'll leave it with you — let me know when you're free.

32 · SHE SUGGESTS MEETING

Sure. [Day] works — I'll sort somewhere.

33 · CONFIRMING THE DAY BEFORE

Still on for tomorrow? [Place], six.

34 · AFTER THE FIRST MEETING

That was nice. Glad we did it. Have a good week.

PART 5

The "us" conversation

Let her raise it if you can. Say the honest script once, clearly, and then stay exactly who you walked in as.

35 · THE HONEST SCRIPT (IN PERSON)

I'm not going to pretend the last few months didn't happen. I took a hard look at who I'd become and I didn't like him much. So I've been changing it — for me, not to get you back. But I'd be lying if I said I didn't still care about you. If you ever wanted to see what this looks like now, I'd be up for that. If not, I understand, and I'm genuinely glad we can still sit here like this.

36 · SHE BRINGS UP THE BREAKUP ON THE FIRST MEETING

Yeah. You were right about a lot of that. I've been working on it. But I didn't come to relitigate anything — tell me about [her thing].

37 · "WHAT'S DIFFERENT NOW?"

Honestly? I stopped making you my whole life and started having one. [One concrete example.] You can judge the rest for yourself.

38 · "I NEED TIME"

Of course. Take whatever time you need — I'm not going anywhere in a hurry, and I'm not waiting around either. Door's open.

39 · "I DON'T WANT TO GET HURT AGAIN"

That's fair. I'm not asking you to trust me on words. Watch what I do for a while and decide then.

40 · "CAN WE TAKE IT SLOW?"

I'd prefer that, honestly. Let's do it properly this time.

41 · SHE SAYS YES

Good. Then let's do it properly. I'll plan Saturday.

42 · SHE SAYS NO

I understand, and I respect it. Thank you for being straight with me. I genuinely wish you well.

43 · SHE SAYS NO, THEN TEXTS A WEEK LATER

Hey — good to hear from you. Just so we're straight, I'm not going to keep going back and forth; that's not good for either of us. If something's changed, say so. If not, no hard feelings at all.

PART 6

Dating her again — the first 90 days

44 · LEADING THE FIRST DATE

Saturday: I've booked [place] at 8. Wear something nice.

45 · THE PATTERN TALK (ONCE)

Can I say one thing properly, then I'll leave it? I let myself become passive and I made you carry too much. Here's what I do differently now — and if you ever see the old pattern, tell me straight. What would you add from your side?

46 · SHE'S IN A MOOD AIMED AT YOU

Sounds like a rough day. I'm heading to the gym — let me know if you want to grab food later.

47 · SHE TESTS ("YOU'LL JUST GO BACK TO HOW YOU WERE")

Maybe. Watch and see.

48 · SHE BRINGS UP THE BREAKUP IN AN ARGUMENT

That's closed. If we're arguing about tonight, let's argue about tonight.

49 · PROTECTING YOUR FRIENDS' NIGHT

Thursday's the boys — I'll see you Friday. Have a good one with the girls.

50 · SHE WANTS TO RUSH (MOVE IN / OFFICIAL)

I want that too. Let's give it a couple more months of doing this well first.

51 · YOU MESSED UP (SMALL)

I was wrong about that. Sorry. Here's what I'll do: [fix].

52 · SETTING A BOUNDARY

I'm not ok with [thing]. I'm not angry — I'm telling you so it's clear.

53 · WALKING AWAY IF IT'S CONTEMPT AGAIN

I came back to build something, not to be tolerated. I think we both know this isn't it. I wish you well.

PART 7 · EMERGENCY

The 2 a.m. messages — to yourself

When the urge hits, you don't text her. You text one of these to the notebook, or to your accountability man.

54 · TO YOUR MATE

Having a 2 a.m. moment. Not sending anything. Tell me I'm an idiot if I do.

55 · TO THE NOTEBOOK

Feeling: ___. Thought: ___. What I'd text her: ___. What a man I respect would do instead: ___. Doing that now.

56 · THE REFRAME

She's not thinking about me right now. That's fine. I'm about to go to sleep and train at 7. That's the whole plan.

57 · IF YOU ALREADY SENT SOMETHING STUPID

To her, once, next morning: Ignore last night's message — that wasn't the version of me I'm working on. Hope you're well. *Then 30 days from zero.*

58 · REPLYING TO A NEW WOMAN (WHILE REBUILDING)

I'm not looking for anything serious right now, but I'd like to get to know you. Coffee Thursday?

59 · DECLINING A DRINK WITH HER TOO EARLY

Not tonight — early session tomorrow. Let's do a coffee this week instead.

60 · DAY 30, TO YOURSELF

I did the thirty days. Whatever she says next, I'm not the man who started this.
